Essay Questions:

Please provide the following information in essay form. Your response should be limited to two (2) pages total for all essay information.

- 1) Why are you pursuing an environmental career? What specific career areas are you most interested in and why?
- 2) Describe any environmental work, volunteer, and/or leadership experience you have and how it has either prepared you for a career related to the environment or how you have used your studies related to your career in the environment.
- 3) List any honors, awards, or previous scholarships awarded (not including financial-based scholarships).

Email the following to the AHMP Chicago Scholarship Fund at: Scholarship@ahmpchicago.org

- Completed Application Form
- Essay Question Answers
- Copy of College/University Transcript
- Proof of residency (a copy of Illinois REAL ID, for example)
